

NORTH STREET SCHOOL ISSUE NO.16

10 June 2021

Dear Parents & Caregivers

NEWS FROM THE PRINCIPAL

Tena Koutou katoa,

I hope you all enjoyed the long weekend. Last Friday, Teachers Only Day, the staff enjoyed Professional development in the areas of writing and lifting cultural confidence and competence. We discussed the Treaty of Waitangi and how we at NSS honour this, how it is enacted and modelled within our daily practises.

Tomorrow's assembly will be in honour of Mrs Jan Williams. We will be celebrating 25 years of service here at NSS. This will be Mrs Williams' final day at North Street School and we welcome all whanau and friends to join us, 1.30pm in the hall.

Interschool cross country.

What an amazing day with over a hundred runners in every event, this means there was nearly nine hundred competitors representing schools from all over the Manawatu region. Whilst every runner from our school competed showing our REACH Values there were some standout performances; Arnya Burema placing 4th in the Year 8 Girls' race, Jordie-Lee Kotuhi placing 3rd in the Year 7 Girls' race and Siena-Faye Kotuhi placing 1st in the Year 6 Girls' race. Huge thank you to Matua Nopera and our wonderful parents for supporting the North Street School Runners.

Nga mihi nui
