On Monday night, November 1st, a group of students represented North Street School at the Feilding Young Achievers Awards. These awards were given for a variety of reasons including; effort, innovation, resilience and excellence. Due to the current restrictions only a small number of spectators were allowed to be present, however due to the prestige of the awards they were live streamed for whanau and friends. Well done to all the students who received an award.

What a wonderful Halloween dress up we had last Friday - amazing costumes by students and staff. Huge thank you to Bunnings for supplying the prizes for our children who had the best costume or make up. Mr Herkes showed up as the resident Ghost Buster - a blast from the past for those of us who remember the 1980s. Thank you for your generous support of Manchester House.

Another shout out to the Jump Jam girls who were asked to perform for the Best Start Early Childhood Centre in Palmerston North. Miss Cheyanne Harvey, the lead teacher, said that they were awesome and the centre were so pleased to have our Jump Jam girls that they gave them a big box of chocolates.

Even though Covid-19 has put a spanner into the works with regards to sporting events, we have managed to place a Year 7/8 team into the Junior High School competition in Palmerston North. Their first game was on Tuesday and unfortunately the team experienced a narrow loss to the team from St Peters' High School. Matua Nopera says that the children are learning a great deal from the experience of playing students who are older, bigger and faster. Keep working hard team!

Finally, it has been apparent that there are a few children who are wearing clothing that is not part of the uniform check list. Please help us to keep our school looking sharp. Tights, shorts and trackpants must be navy blue and shoes must be black. I will be sending reminders home to students who 'forget'. If you have any concerns regarding our school uniform policy, please do not hesitate to contact the office.
