

5 August 2021

Kia ora Whanau

The end of Week 2 is already upon us, and it is so hard to keep pace with what is happening at North Street School. Firstly, I want to thank all of the students, staff and parents for coming to the parent/teacher interviews this week. This is a small but vital piece of the big picture with regards to the home and school partnership. For those who have not yet been able to meet with your child's teacher please make a time so this can take place. We have a very realistic goal of having 100% participation in this process - your input is very important to us.

We also welcome back Tim, Harold and the Life Education Trust who are with us for more wonderful learning experiences. Please ask your child what they have done with Harold and Tim as this will reinforce the great work they do. There are a variety of sporting endeavours being offered this term and a large of students are involved; basketball, netball, hockey, football, Super Sixes, Elite Sports and Aims Games. It is important to ensure your child is well prepared for these activities by having the appropriate gear, uniforms, water and they are on time. Thank you for your support.

Coming up this term is the Cultural Festival, Thursday August 26 at the Civic Centre and tickets will be on sale from the office when they arrive. The schools include; North Street, Manchester Street, Lytton Street and Feilding Intermediate. A fantastic extravaganza of singing, dancing and theatrical performance.

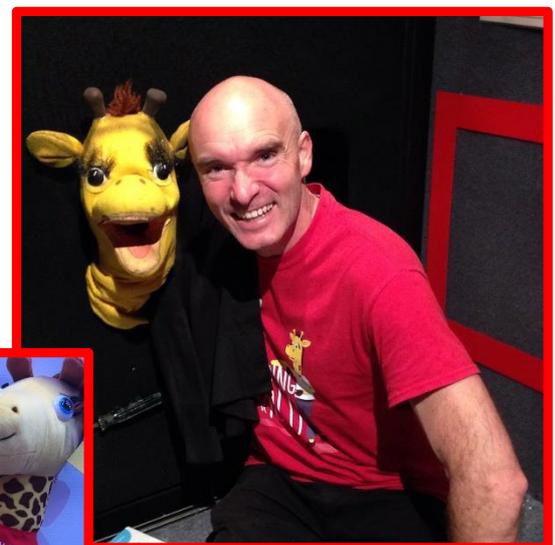

Finally, please take care on these awfully cold and wet wintery days. Traffic is very congested and an it is often difficult to see children who may rush out onto roads without thinking. Please do not come into the staff carpark at the end of the day as we have over 330 children coming out and their safety is paramount.

Ka kite ano

Paora Pomare
Acting Principal

Life Education -We are so excited to be back at North Street School to see all our friends again! Being around all your positivity and friendliness is always one of the highlights of our year, and we feel really privileged to be sharing in the students learning around friendships, caring & relating to others with the Yr 1-2s, how we are special and where we belong with the Yr 3-4s, dealing positively with peer pressure with the Yr 5-6s, and how being an upstander helps our reputations and identity with the Yr 7-8s. Life Ed is a charitable trust that aims to inspire learners and their families to make positive decisions about their wellbeing, and if you would like support our local trust, we have the following items for sale until the 18th:

Harold flag pens @\$1
Soft toy keyring Harolds @\$7
Harold drink bottles @\$10
Large soft toy Harolds @\$20

SPCA Cupcake Day
Thank you for supporting this worthy cause. We proudly raised \$120 for the SPCA
