

NORTH STREET SCHOOL NEWSLETTER ISSUE NO. 23

12 August 2021

Kia ora whanau

The Olympics were awesome to watch and a huge success - the most successful to date. It is important to remember that from humble beginnings great things can happen. Lisa Carrington met Olympian medallist Rob Waddell when she was around 8 years old and this ignited the fire inside her to become the greatest New Zealand Olympian in our history. Here at North Street School it is our mission to promote the ideal of a Positive, Engaged and Connected Explorer. We attempt to do this using our REACH values; Respect, Excellence, Acceptance, Creativity and Honesty. I have had the great fortune to have coached and taught an Olympian, All Black, Black Sox, Tall Black and countless provincial representatives - I cannot wait until I see a national representative from North Street School in the future.

A timely reminder, unless students are with a parent, they must leave the school grounds when the bell rings at 3.00pm. It is also important to remember that the Junior playground is for Juniors only, and in this instance that means Year 1-4 and only if a parent is with them. Whaea Bridget and I will be helping to support students of these expectations over the next few days. Practices that run after school are also occasions where children may stay after the bell as they are supervised by the adults running the practice. There have been 2 serious accidents that have happened after school and it has been fortunate that adults have been available to attend to the injured students. Please help us to keep our students safe. Whaea Bridget or myself will endeavour to get to all classrooms to personally stress the importance of the message above.

Finally, please check Skool Loop and our FaceBook Page for all relevant information that is required, however, if you are waiting for sports draws it may be quicker to check the relevant websites. If you need help to set up Skool loop on your phone please ask at the office and we can help you do this.

Daffodil Day - As you are all aware Daffodil Day is on Friday 27 August. Our school has always proudly supported Daffodil Day and the NZ Cancer Society. We will be having many events to help fundraise on this day, including a bake sale, face painting, best dressed Daffodil Day costume and a classroom window decorating competition. We appreciate all donations so remember to save up your gold coins for the famous bake sale.

Thank you in advance for your support.
From the NSS Student Leadership Team!

HI FROM TIM AND HAROLD @LIFE ED MANAWATU!

What a spectacular place North Street School is!! We are LOVING being among you all - there is so much friendliness and warmth on display, and we have been so impressed with the discussions around being a wonderful friend, how we are unique, dealing positively with peer pressure, and valuing our reputations and identity. Please come and tell me about any learning being shared at home, and we still have our Harold merchandise available until next Wednesday:

- Harold flag pens @\$1
- Soft toy keyring Harolds @\$7
- Harold drink bottles @\$10
- Large Harold soft toys @\$20

Don't forget Maths Dress Up Day tomorrow...
