15 May 2021

Dear Parents & Caregivers

NEWS FROM THE PRINCIPAL

Kia ora Whanau

What a wonderful start to the term, we are only in Week 2 and already we have sent students to; National Young Leaders' Day, Nga Taonga Takaro, Netball, Basketball and Lit Quiz. Not to mention we have had supermarket visits, a magician and sports training sessions.

The registrations for netball and basketball have reached significant numbers and to start it all off the senior netball and basketball teams had sizeable wins in their respective competitions which means they will be graded into the elite tiers.

Nga Taonga Takaro was an initiative run by Whakarongo School which brought together a number of schools and over 150 students to participate in kaupapa Maori sports. Organiser, Mark Searle, put together the idea and with the help of some dedicated associates, have started what he says will be a trend worthy of following. The North Street students had a fantastic

day mixing with students from all over the Manawatu, in a competitive and challenging environment. Special thanks to the Hato Paora College students for supplying the most valuable resource of all sports - referees.

Remember to keep a close eye on Skool Loop and our school FaceBook page for information regarding sports. We still have spaces for Year 5/6 students in basketball and we also desperately need coaches for basketball and netball. Please email me if you would like more information. ppomare@northstreet.school.nz
