

# NORTH STREET SCHOOL NEWSLETTER

ISSUE NO. 14 – 26 May 2022

Kia Ora Whanau,

Another busy week here at North Street School.

Thank you to Tim, Harold and Life Ed Manawatu for another fun filled visit. There was some great learning throughout the 10 days and interesting topics were discussed. Our students thoroughly enjoyed their time. We can't wait for Tim and Harold to return next year!

Yesterday Ms Woodward and I took 30 students to the Regent Theatre in Palmerston North for National Young Leaders Day. The speakers were extremely inspirational and our students learnt lots of helpful tips to become amazing Leaders within our school and for their own self development.

Don't forget Cross Country tomorrow, please come down to support your tamariki. First race starts at 1pm with the Year 8s, then Year 1s, 2s, and so on. We hope to see you all at Victoria Park tomorrow. Weather permitting.

NSS sports, school activities and excursions are ramping up. Netball, Basketball, class trips, Kapa Haka and now Jump Jam. Please keep an eye out on the Skool Loop, our website and facebook for practice times, cancellations and lots of important information. We don't want anyone missing out!

Finally, COVID is still in our community, a friendly reminder to please continue to keep hand washing as a regular exercise and mask wearing if necessary.

Have a great week whanau.

THANK YOU FROM TIM AND HAROLD @LIFE ED MANAWATU! 10 days at North Street School is nowhere near enough - we want to stay forever! Thank you for all your kindness and especially all your super ideas & contributions to our discussions - we will have so many wonderful memories to take away with us! Remember to keep practicing your skills, whether it's resilience, kindness, making wise decisions about your immediate/future health, or choosing to help solve a problem, and remember whose in charge of EVERYTHING you do and say!! Thank you so much for your generous support of our Harold merchandise - it is very much appreciated - we can't wait to see you all again - take care, have a great cross country and a brilliant rest of the year! Love from Tim and Harold!

**National Young Leaders Day** - On Wednesday 25th May the NSS Student Leaders as well as some of the William Pike Challenge students went to the Regent Theatre in Palmerston North to attend National Young Leaders Day. We heard from Sam Johnson, Brylee Mills, Georgia Latu, Riley Hathaway and Georgia Lines; all these people talked about the main theme of the day – how resilience and bouncing back has helped them in their life. Although it was unfortunate that William Pike (due to COVID isolation) couldn't make it, it was still a very fun and an inspirational day for all the students who attended. They shared personal experiences to help build resilience and to inspire all of us. Many of the students enjoyed the performance at the end by Georgia Lines especially when we all got to sing together. Our favourite part was definitely the performance at the end and also watching the teachers get involved. Thank you to the BOT and our families for helping fund this event for us.

Dear Parents/Caregivers,

A Mobile Dental Unit will be visiting North Street School from Tuesday, 7 June 2022. A consent form and letter explaining its purpose will be sent home, but in short it will allow us to examine and provide preventative treatment (cleaning, fissure sealants, x-rays and fluoride treatment) where required for your child.

Should students require any further treatment, (such as fillings or extractions) you will be sent additional information detailing what's needed.

If parents have any concerns or wish to be present at their child's dental appointment please contact us on either of the numbers below.
