ISSUE NO. 13 – 19 May 2022

Kia ora whanau,

Another busy week with lots happening! Unfortunately, the rain put a real dampener on Tuesday's Elite sports Touch tournament, being called off half way through. Winter sports are well underway with the Year 7-8 Boys and Girls Basketball teams both winning their games against Monrad A and Opiki boys on Wednesday evening. With the weather becoming colder it has been more noticeable that our students are wearing scarves, gloves and beanies. As these are not catered for in our uniform, and the weather being so cold, this is a great idea to keep warm. We only ask that the students wear dark blue/black items. We understand that there are occasions where students have to wear something alternate to the uniform when small emergencies arise. Please send a note or email explaining the reason for your child being out of uniform. It would be very helpful if the items replaced are of a dark blue colour. Thank you for your support and keeping our children looking awesome.

A reminder that tomorrow is **Pink Shirt Day**, please remember your gold coin donation. If you choose not to wear pink, school uniform is required.

Yesterday the staff attended Professional development from Dr Rangi Mātāmua, speaking on the topic of Matariki. This presentation increased all teachers and school leaders' appreciation and understanding of the importance of Matariki season, both culturally and practically. As 2022 is the first year of Aotearoa's celebration of Matariki with a public holiday, this topic is of special importance and timeliness.

National Young Leaders Day

Next week Whaea Bridget and Pa Paora will be attending NYLD with 20 North Street School student leaders. Leaders are often made, not simply born. We are dedicated to sparking the leadership potential that's inside every young person through practical, inspirational events and leadership resources. The National Young Leaders Days (NYLD) are the largest and longest running leadership event for primary and intermediate school students. These large scale annual events aim to develop student leadership. Since 2001, more than 110,000 students have been empowered to fulfill their dreams and become great leaders at a National Young Leaders Day in New Zealand. NYLD events are also held in Australia and Singapore.

The objectives of NYLD are

- Inspiration
- Connection
- Student empowerment
- Promoting positivity
- Motivation
- Education

Last Saturday 10 students from North Street School, as well as other students from other schools around Feilding, went to the Taonui Aerodrome for the 'Take a kid flying' programme run by Bluelight. It was AMAZING!!!! We flew over our school, the Makino pools, Hato Paora and many other cool places around Feilding. The pilot was really cool. His name was Bruce. He would purposely make us go down and then tip to the sides. He was really fun and he made it an amazing experience. I'm very grateful that the volunteers took time out of their day for us. Afterwards we had a sausage sizzle and then got to play a really cool car simulator racing game. It was a real race car but where the wind shield would be, was a big flatscreen tv instead. I think it was a great opportunity and if any child gets the chance to go on it next year, I would definitely recommend it.
