ISSUE NO. 9 – 7 April 2022

Kia ora Whānau

With the Covid pandemic arriving at everyone's doorstep this term, school has become an interesting place. Juggling staffing, major student absences, home learning and of course, your own whānau, will have impacted on us all. We wish to commend our staff and NSS whānau on the vision, foresight and flexibility you have shown in order to keep our kura open and life functioning as normal as possible for our tamariki. It is acknowledged that COVID is not going to disappear so we know that you are all working together to provide the best possible learning experiences for our tamariki.

As we look forward to Term 2 we are planning with the knowledge that interruptions will possibly continue.

Last Friday teachers enjoyed unpacking *Te Takanga o Te Wā and Aotearoa New Zealand's histories*. On Tuesday we hosted the Science Roadshow. The Roadshow was a fun, exciting and interactive learning experience of science for the Year 3-8 students. It included live shows and hands-on exhibits that broaden students' knowledge of science, technology, engineering and mathematics. This show was funded by NSS BOT.

Next week all classes will be celebrating PB4L (Positive Behaviour for Learning) within their teams. These days reward the tamariki for living and breathing our REACH values throughout the term.

Ka kite ano

Jo Reiri-Tatana and Paora Pomare

Principal/Deputy Principal

## Next Week!

Monday: Interschool Athletics - Timona Park  
Tuesday: Junior Tournament - Ripper Rugby Yr 5/6  
Thursday: Mark Donaldson Ripa Rugby Tournament-Year 7/8  
Basketball finals Year 5/6

### Reminders:

Thurs, 14 Apr -Last day, Term 1, 3pm  
Mon, 2 May – 1<sup>st</sup> day Term 2

We are proud to share with you the work of Joe Mcmenamin. We absolutely love our new mural! Joe along with some students from NSS have completed a beautiful mural in our new up and coming sensory garden. The forest scene will add a lovely feel to the whole space. Included in the mural is a turtle, and the cartoon fish taken from Abbie Haw-Spence's painting that won The Resene Keep NZ Beautiful competition in 2021. This area will include a Memorial Garden for Jan Williams, which we look forward to officially opening in the near future.

A snap shot of this morning's Specialisation for our Year 7 and 8 students included Macaroni Cheese in Food Tech, Media Studies and Face Masks in sewing.
