

## NORTH STREET SCHOOL ISSUE NO.9

8 April 2021

Dear Parents & Caregivers

### NEWS FROM THE DEPUTY PRINCIPAL

*Kia ora whanau*

*What a fantastic turnout for our Athletics day. We were very lucky with the weather considering last week we had thunderstorms and lightning. Huge thank you to all students, staff and families for contributing to the success of the day - special mention to the Feilding High School students who came to help support NSS students for the day. They were a credit to their school and their services proved invaluable. It is also important to mention the support given by the Feilding Athletics Club who allowed the school to use their athletics equipment, because without the support of FHS and FAC, sporting celebrations become very difficult to run. Congratulations to all of the competitors who were fortunate enough to place into the top 3 - the interschool athletics team lists are being sorted at the moment and a note will come home to confirm the competitors. I must apologise for the late notice but due to the inclement weather conditions experienced last week we have had to delay our selection process. Interschool Athletics will be on Monday 12th April with the postponement date set for Wednesday 14th April.*

*Next week for our last day we will be finishing Term 1 with a celebration day. Each team will be choosing activities to run throughout the day which will be combined with a 'Wild and Wacky' dress up theme. A gold coin will be collected from our students to be presented to the St John's Ambulance Service as a charitable donation.*

*As always, if you have any concerns or queries please come in and see one of our amazing staff members. Ka kite ano Paora Pomare*
