ISSUE NO. 6 – 9 March 2023

Kia ora whānau, nga mihi o te wiki tuatono ki a koutou.

We have a number of sporting teams representing us in a number of competitions and tournaments. Please keep up to date with information as it is given out to students.

All of the formal assessments have taken place in the classroom, with a few catch ups to be made up. These assessments are very important for your child's individual learning pathways.

It is important to remember that we are a uniform school and there is an expectation for our students to be wearing this with the standards that have been set. There will be a more proactive role by our staff to ensure our students are meeting those expectations.

Thanks to Alana Staples and Hayley Crews along with Siena-Faye and Asha who spent a few hours today outside Feilding New World collecting for Arohanui Hospice. This is a cause that is very close to our hearts. We will be there again tomorrow from 9am – 2pm if you would like to come and say hi and support this cause.

Please keep up to date with our FaceBook page and our Skool Loop app for updates to the school's timetable.

Please do not hesitate to contact the school office if you have any queries or concerns.

Niho Taniwha Foxton Beach Trip

On Wednesday 8th March Niho Taniwha went to Foxton Beach as part of our inquiry learning: Creatures Big and Small.

We saw seagulls, a massive hawk, shells, seaweed, lots of huts made out of sticks, a clam, an old bone and Mrs Third showed us a crab. We went treasure hunting, made huts and sandcastles and played in the sand. We got very sandy and had a super fun time!
