**HI FROM TIM AND HAROLD @ LIFE ED MANAWATU!** We are so excited to be back at North Street School and seeing all our friends again! Being around all your energy and enthusiasm is always one the highlights of our year - it's awesome! We feel very privileged to be sharing in the students learning - Resilience is the major focus for the Purapura Whetu, Niho Taniwha and Te Aro Mangopare teams, with Rooms 11, 12 & 13 adding peer pressure and decision making into their mix. Poutama team are looking at the effects of drugs on the body, while Room 14 are focusing on What's in our bodies/how food affects us, and Rooms 15 & 16 are looking at the importance of kindness. Life Ed is a charitable trust that aims to inspire learners and their whanau to make positive decisions about their wellbeing and receives no government funding. If you would like to support our worthy cause, we will have the following items for sale during our visit:

Harold flag pens @\$1

Harold lanyards @\$3

Soft toy Harold keyrings @\$7

Harold drink bottles @\$10

Large soft toy Harolds @\$24

These can be purchased from me at anytime (cash only please) - please let me know of any learning being shared at home - take care everyone and have a spectacular rest of the day!

Love from Tim and Harold!
