ISSUE NO. 24 – 18 August 2022

Kia ora Whanau

It has been lovely to see the sun shining this week. It is not long now until the first day of Spring.

The school is super busy with all the winter sporting activities taking place. Thank you to all the NSS staff members and parents/caregivers who give up their spare time to coach/manage a school's sports team. Without your help, our students would not be able to take part. Thanks must also be said to the parents/caregivers who run around taking your child/ren to the games.

It has been awesome to see our Year 1 & 2 students playing hockey on Monday afternoons on our school turf. Personally, I think hockey is the best sport so I hope they keep playing this very skilful sport. The other age groups play at the High School Turf and I hear they are playing well.

Well done to the Tainui and Oroua Year 7 & 8 netball teams who have both made it to the finals for their divisions. Good luck for Monday!

Our Year 7 & 8 football team attended the Elite Football tournament in Palmerston North on Tuesday. It was furiously competitive but our students did us proud. They finished in sixth place. Thank you Matua Nopera for your time in training this team. The next Elite competition is Volleyball which takes place in Week 8. Team selections for this will take place next week.

During the past week, all our Year 5-8 classes have visited Awahuri Forest / Kitchener Park. This Education Outside the Classroom (EOTC) experience allowed the students to gain more knowledge of local history and learn more insights into forest life. Thank you to Linda Campbell and her helpers for your time in giving our students a great learning experience.

Finally, please do not park in the staff car park or block the driveway, as it is extremely busy after school, particularly on a wet day. It would also be lovely to see our NSS whānau stopping at the pedestrian crossing, so our super road patrollers can put their signs out. Our road patrollers find it really hard to find a moment in the traffic to put the signs out and they do appreciate it when a vehicle stops so they can do their job.

Last night, Year 7-8 Intermediate teams played Palmerston North Intermediate Normal in the Basketball finals. Both teams took out their divisions, Boys Division 3 and Girls Division 1 with wins. What champions!! The girls fought so hard and their game was so intense. Taking out the win 20-16 in the last 30 seconds. The girls kept the PNINS team scoreless for the last quarter. The boys had a clear win 46-25. The Year 7-8 boys development team placed 3rd in their division. We are so proud of all our Basketball team's efforts this season, sportsmanship and resilience. Thank you to all the parents who have supported us throughout the season and with travel and a big mihi to Perenara, Pa Paora and Mrs Ngarotata Hansen for coaching, and managing all teams. Also thank you to Whaea Rachel for helping out with travel arrangements to Basketball and getting kids to Basketball Rep trials.

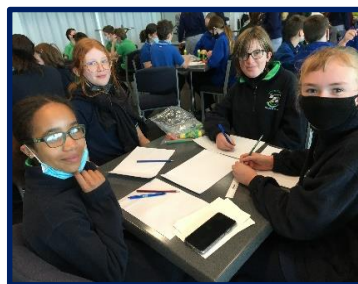

We wish our Year 5-6 Team all the best with their final tonight and thank their coaches, Pa Paora and Craig McEwen for their time. A big mihi to Mrs Watson and Whaea Ellie for getting our kids to the games each week. It surely has been a team effort, overall a successful season of Basketball for NSS.

**JAN WILLIAMS NETBALL TOURNAMENT – Tuesday 23 August** – We are looking forward to hosting this tournament and welcoming Ashhurst, Halcombe, Manchester, Lytton and Roslyns Schools. Parents/caregivers/family are all more than welcome to come along and watch their child. We will be holding a sausage sizzle to fundraise for our Basketball and Netball teams attending AIMS Games in Tauranga later this term. **Please allow your child to support this day by bringing \$2 to school for a sausage.** We would like to thank Bayleys Real Estate who have kindly sponsored this!

**Mathex** – Our four Year 5,6,7, and 8 Mathex teams represented NSS with teamwork and pride on Friday. A HUGE thank you to Tony Kuriger, Marlena Davies and Rachel Hocken who transported our students back and forth to Palmerston North throughout the day. Well Done to all the teams -we are proud of you!
