

Kia ora e te whānau,

Division 1 Netball Finals – Feilding vs Feilding!

Mark your calendars – Tuesday 19th August, 4:30pm at CET Arena – it's game on! Our very own NSS Araraki will face Feilding Intermediate A1 in the Division 1 Netball Finals. Out of more than 90 teams in the competition, these two Feilding sides have risen to the top, competing for 1st and 2nd place. What an incredible achievement for our town! Let's fill the stands, bring the noise, and celebrate this moment for our players and community.

Jan Williams Netball Tournament

Wednesday 13th August saw our courts buzzing with energy as we hosted the annual Jan Williams Netball Tournament. It was a fantastic day filled with top-quality netball, smiling tamariki, and perfect weather. A big thank you to Bayleys Real Estate Feilding, Joanna Amner – Bayleys Real Estate, and Woolworths Feilding for backing our teams as they prepare for the AIMS Games. We loved welcoming Manchester Street School, Lytton Street School, St Joseph's, Ashhurst School, and Roslyn School – your enthusiasm made the day even better! Congratulations to North Street School, who claimed both the Year 5–6 and Year 7–8 titles – an impressive double win!

Year 7/8 Girls Basketball – Division 1 Final!

This week marks an exciting finish to the season for our North Street School Year 7/8 Girls Basketball team! They'll be taking the court in the Division 1 Final against Monrad Tirohanga Intermediate. It's been a closely fought rivalry this year - during the regular season, our girls came away with one win and one loss against Monrad. That means this final is more than just a championship game - it's for ultimate bragging rights in the 2025 Year 7/8 Girls Division 1 competition. We're so proud of the skill, teamwork, and determination our players have shown all season. Let's get behind them, cheer loudly, and show our support for the blue and gold as they battle for the title tomorrow. Go North Street!

Manawatū Mathex Competition

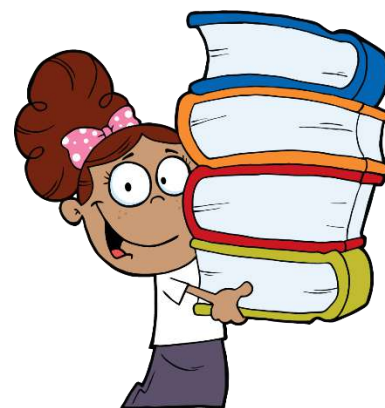

Last week, two Year 7/8 teams from North Street School proudly represented us at the Manawatū Mathex Competition. The event was a lively test of quick thinking, problem-solving, and teamwork - and our students rose to the challenge with enthusiasm and determination. They worked brilliantly together, showing great perseverance and school spirit throughout the competition. While the competition was tough, the experience was incredibly rewarding, and our teams are already excited at the thought of returning next year. A big well done to all our competitors for their effort, energy, and positivity - you made us proud!
